

Side Letter of Agreement 2016-17.2

**Cabrillo Community College District (District)
and the
Cabrillo College Federation of Teachers (CCFT)**

Cabrillo College Children's Center

For 2016-17 the District and CCFT agree to the following:

- The two full-time (100%) Children's Center Teachers who support the Infant, Toddler, and Preschool childcare classrooms will work a 180-day work year. In addition, the categorically funded year-to-year teacher will be hired at 75% of a full time contract to work 180 days per year, six hours per day Monday through Friday.
- Continuation of this structure is dependent on receiving adequate ongoing funding. The District will not receive confirmation about the availability of several private and state funding sources until later in the year.
- If the resources needed to fund this plan do not materialize, resulting in a budget shortfall, the Children's Center, in conjunction with the District, will implement a reduction plan since the District will not backfill for the shortfall.
- This is a one-year agreement for 2016-17 only and will need to be renegotiated for 2017-18.
